

## **ABOUT THE PROJECT**

The Violet Crown Trail began as a vision in 1999 to create the first regional trail system in Central Texas. After years of strategic land acquisition and planning, the first six-mile segment is now open and the VCT is on its way to becoming the longest trail of its kind in Central Texas.

Once complete, the 30-mile trail will provide a unique recreational experience as it passes through the urban wildlands of the Barton Creek Wilderness Park, the City of Sunset Valley, and eventually into Hays County.

## **BECOME A MEMBER**

You can support the Violet Crown Trail project and bring us closer to completing the next section of trail by becoming a Violet Crown Trail Member. Members play an important role in supporting our message and they receive special gifts for joining.

Membership levels range from the \$50 Buttercup level to the \$1000 Trailblazer level. Memberships are renewed annually.
